MEDICAL RELEASE & MEDIA APPEARANCE WAIVER

CHEERpros is going digital with our Medical Release & Appearance Waiver. When you register your team online, you will be required to enter your full team roster for each team/squad. Once you complete your registration for the CHEERpros event, you will

30141 Antelope Road #D-613, Menifee, CA 92584 | 310.230.5423 | info@cheerpros.com

receive an e-mail confirmation that includes your program's **MEDICAL RELEASE & MEDIA APPEARANCE WAIVER LINK**. Please copy and paste the link to send to your Parents/Legal Guardians to complete for their athlete.

As Parents/Legal Guardians complete the online waiver, you will receive an e-mail notification for that participant's waiver completion. We ask for your cooperation in keeping track of the completed waivers so that you can make sure that all athletes have completed waivers prior to your camp. Currently, you are unable to update your rosters in the system. If you need to add, delete, or change your roster, please e-mail mai@cheerpros.com.

Waivers must be completed at least two (2) weeks prior to the first day of your camp.

As a reminder, all athletes must have a signed online waiver completed to participate in any CHEERpros event. Waivers are no longer transferable from event to event; therefore, waivers will need to be completed for each event separately once registered.

CONCUSSION COURSE CERTIFICATION

Coaches/advisors (one per school/organization) will be required to provide your Concussion Course Certificate before attending your CHEERpros event and should be uploaded to the online registration. If you did not upload the documents during the online registration process, please e-mail your certification to cheerprosdocs@gmail.com no later than two (2) weeks prior to the event.

If you have not completed the course, you may do so at the link below.
