ATTENTION ALL STAR GROUPS WITH TEAMS IN THE JUNIOR & JUNIOR CO-ED LEVELS 3, 4 & 5. The USASF guidelines state: For Junior Co-Ed Levels 3, 4, & 5, if there is only ONE (1) Co-Ed team competing in a respective level, then that level must be combined into one (1) Junior division (i.e. Four Junior Level 3 teams and One Junior Co-Ed Level 3 team = Five Junior Level 3 teams for competition). If the Junior teams were split into Small and Large, then the Co-Ed team must be placed with the team closest to its size. Please be advised that the Junior Level 4 division has been combined into one (1) division.
